

Vacancy – Warehouse Ranger

Warehouse – The hub of our existence

An outstanding opportunity exists for a **Warehouse Ranger** to join the UK's leading multi-brand desktop plastic card printer provider.

- Are you looking to gain **key experience** in the warehousing environment?
- Could you make a **career** in warehousing and logistics?
- Do you think you have the **tenacity** to stand out and make a real difference to our vastly growing business?
- Do you have an **eye for detail and accuracy**?

Our Headquarters in the UK permit us to work closely with our European office and newly created facility in the USA to ensure a truly global force is created over the coming 5 years.

Eagle is the only focused trade provider available to support resellers and system integrators in a wide range of market sectors.

As part of our continued growth, we have an opportunity for a Warehouse Ranger to join an enthusiastic and professional team whom provide outstanding support to our customers and colleagues.

You will possess a passion for warehousing functionality and processes and would like to learn every aspect of our fast paced, thriving department.

The role of Warehouse Ranger is varied and will include learning and excelling in all general warehouse duties.

Your ability to pick and pack customers orders accurately, follow procedures and instructions stringently will be the key to your success.

Every Eagle employee is dedicated to achieving the company's growth targets whilst ensuring personal development and career development.

Please read on to review many of the key areas your new role will entail.

Warehouse Duties:

- Picking and packing customers orders for despatch using various postal and courier services, including their respective systems.
- Signing/approving and accurately checking goods in, whilst ensuring quality controls.
- Booking stock onto the company system.
- Liaising with suppliers for deliveries.
- Preparing client stock collections.
- Labelling and repacking supplier goods.
- Putting stock away correctly in allocated areas.
- Filing customer sensitive courier manifests.
- Logging manifest information on company system.
- Distributing morning post in-house.
- Taking part in monthly stock counts.
- Daily housekeeping checks.

General Admin/Support

- Filing/archiving
- Helping out in other areas during busier times.

The Ideal Candidate Should Have a:-

- Caring attitude towards the role and warehouse/general environment.
- Excellent attention to detail.
- Good communication and written skills.
- Be PC literate and able to work with various PC applications.
- Keen to learn and develop new skills, along with being able to ask for help if stuck.
- Good under pressure and have the ability to prioritise or ask for help.
- Follow instructions and carry out tasks efficiently.
- Good team player but also self motivated.

Please send your CV with covering letter along with current remuneration details to Ricki Smith – Operations Manager either by post or email. Alternatively, you may use our [online application](#) to post your CV.
